CATERING

We are happy to provide recommendations for a variety of excellent caterers that will make your event extra special. You are also welcome to use your preferred catering service.

Please be aware, we do not have a kitchen or any food prep facilities on-site - all food preparation must be done off-site ahead of time. We can only accommodate buffet or passed appetizer format as opposed to table service.

IMPORTANT INFO

All private events operate with bar service only
- no table service.

There is no private entrance for the Backspace - your guests will enter via the building's main door and walk through the taproom [open to the public] & brewhouse to access the space.

Rental of the Backspace includes the use of
(2) private restrooms.

You may arrive no earlier than one hour to set up before your event starts. All guests must leave the premises within one half hour of event end time.

We are happy to accommodate specific beer requests whenever possible.

The Backspace can be booked outside of the taproom's regular hours of operation.

The room is equipped with a Sonos system to play music of your choice. There is a 10'x12' stage with a full PA system and a digital projector. We can give recommendations for bands & provide a sound person for an additional cost.

The Backspace is wheelchair accessible.
